SEC File No. 270-410, OMB Control No. 3235-0466

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Rule 103 of Regulation M (17 CFR 242.103), under the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 103 – Nasdaq Passive Market Making – permits passive market-making in Nasdaq securities during a distribution. A distribution participant that seeks use of this exception would be required to disclose to third parties its intention to engage in passive market making.

There are approximately 255 respondents per year that require an aggregate total of 255 hours to comply with this rule. Each respondent makes an estimated 1 annual response. Each response takes approximately 1 hour to complete. Thus, the total compliance burden per year is 255 burden hours. The total estimated internal labor cost of compliance for the respondents is approximately \$16,065.00, resulting in an estimated internal labor cost of compliance per response of approximately \$63.00 (i.e., \$16,065.00 / 255 responses).

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
